**MIDSUMMER VETERINARY GROUP**

**Soskin Drive, Stantonbury Fields, Milton Keynes, MK14 6DT**

We are holding a summer re-homing day where we will bring a selection of our lovely felines along to Midsummer Vets in Stantonbury.

It's a great opportunity to meet the cats and to see which one picks you!!

**All our adult cats are neutered, microchipped and treated for fleas and worms. They will also have had (at least) their first vaccinations and you can opt for four weeks free insurance available from Petplan. We ask for a minimum donation of £60 for each cat and a home visit may be required.**

We will also have information available about the kittens and small mammals in our care that are looking for homes.

If you cannot make it on the day then please check our web site where you will find details of a large selection of our animals waiting for adoption.
